

REMARKS

Upon review of the most recent amendment of claim 1, the inventor has determined that claim 1 would be more accurately phrased as indicated in the amendment set forth above, and without this amendment it might be misunderstood. It is the digital samples representing the input signal, which are convolved with the selected impulse response. Accordingly, amendment under 37 CFR 1.312 is requested, for greater clarity in claiming.

If this response is not considered timely filed and if a request for an extension of time is otherwise absent, Applicant hereby requests any necessary extension of time. If there is a fee occasioned by this response, including an extension fee, that is not covered by an enclosed check, please charge any deficiency to deposit account No. 23/2825.

Respectfully submitted,

Steven J. Henry
